

## Service & Pricing Schedule

List every service the Facility offers through NurtureNaija and the agreed patient-facing fee.

Fees are quoted in Nigerian Naira (NGN) and are inclusive of all consumables unless otherwise stated. NurtureNaija applies a coordination fee that is disclosed separately in the Partnership Agreement.

| Service | Setting | Duration | Facility fee (NGN) | Notes |
|---------|---------|----------|--------------------|-------|
|         |         |          |                    |       |
|         |         |          |                    |       |
|         |         |          |                    |       |
|         |         |          |                    |       |
|         |         |          |                    |       |
|         |         |          |                    |       |
|         |         |          |                    |       |
|         |         |          |                    |       |
|         |         |          |                    |       |
